North Alabama Friends School
Student Curriculum Plan 2020-2021

Student Name _____

Counselor _____

Please list the subjects you plan to teach and the materials you plan to use. (Alabama law requires that the following be taught at some time during elementary school: reading, spelling, writing, arithmetic, English, geography, science, health, physical education, U.S. history, and Alabama history.) For text books list: title, publisher, year published, grade level, and whether you have a teacher's edition or answer key to go with it. If you are unable to determine the grade level, be sure to take the book to your counselor to check the grade. Please also include any on-line teaching or computer programs. If you are using the library as a source of materials, indicate for which subjects and how often you plan to go. Give this to your counselor at your first meeting.
You don't need to use all ten subject boxes! If you are using more than ten resources, please continue on the back.

Subject	Title of Text	Publisher	Year Published	Grade	Teacher's Edition?
